POSSESSION

The physical possession of the land measuring 126 bigha 09 biswas has not been taken over and handed over to the requisitioning department.

MARKET VALUE

While determining the market value of the land as on 7.12.2001 i.e the date of notification U/s 4 of the Land Acquisition Act, several factors such as location of the land, nature of soil, awards announced in the recent past of the same or adjoining villages, pronouncement of different courts, claims filed by the interested persons, sale deeds and price policy of the Govt. regarding acquisition of agricultural land are to be taken into consideration.

The land under acquisition is agricultural land and is being used for agriculture.

The interested persons have generally claimed exorbitant prices of their land by making claims from about Rs.5,000.00 to Rs.12,000.00 per Sq. yds. They have, however, not filed documentary evidences in support of their claims. The claims therefore can not form the basis of determination of market value.

In a policy announcement, which came into effect from the financial year 2001-2002, i.e Government of National Capital Territory of Delhi fixed the indicative prices of agricultural land @ 15.70 lacs per acre for the acquisition of agricultural land vide their order No. F.9(20)/80/L&B/LA/6696 dated 9.8.2001 which are applicable with effect from 1.4.2001.

In view of the absence of any documentary evidence on record to the contrary, I find Rs.15.70 lacs per acres to be the most reasonable price for the agriculture land as on 01.4.2001. The notification under section 4 was issued on 7.12.2001 and the price of the land is to be determined as on the date of notification U/s 4 itself. I, accordingly, determine the market value of the land @ Rs.15.70 lacs per acre or Rs.16,354.16 per biswas.

In addition to the market value fixed above, land owner will be entitled to all other benefits as per the provision of the LA Act.

SOLATIUM

5

As provided under sub-section 2 of section 23 of the Land Acquisition (amendment) Act, 1984, the interested persons will be paid 30% solatium on the market value of the land due to compulsory nature of acquisition.

ADDITIONAL AMOUNT

The interested persons are entitled to additional amount under section 23 (1-A) of the LA Act @12% per annum on the market value of the land from the date of notification U/s 4 of LA Act i.e. 7.12.2001 till the date of announcement of award.

INTEREST

Since the possession of the notified land has not been taken over before making the award, the rightful claimants are not entitled to the payment of interest U/s 34 of the LA Act.

TUBEWELL

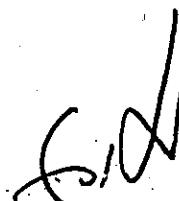

There is one tube well in the acquired land in khasra No. 65/3/1. I allow Rs.5,000/- as removal charges per tube well.

BORING

There is no boring in the acquired land.

WELL

There is no well in the acquired land.

TREES

There are some trees on the land under acquisition. Some of the trees are in infancy stage that can not be converted into firewood. Hence, I do not assess any market value of such trees having less than one-quintal weight. The details of other trees are as under:-

S.No	Name of the tree	No. of trees	Weight in quintal	Khasra No.	Amount fixed. (@ Rs.100/- per quintal (in Rs.)
1	Sisham	2	10		1000.00
2	Shetut	2	2	65/3/1	200.00
3	Neem	1	5		500.00
TOTAL					Rs.1700.00
