Notice under section 50 of the LA Act, 1894 was issued to the requisitioning department to adduce evidence for the purpose of determining the amount of compensation. The requisitioning department has not furnished any evidence to adduce evidence for the purpose of determining the amount of compensation.

MARKET VALUE

While determining the market value of the land as on 12.11.2003, the date of notification U/s 4 of the Land Acquisition Act, 1894, several factors such as location of the land, nature of soil, awards announced in the recent past of the same or adjoining villages, pronouncement of different courts, claims filed by the interested persons, sale deeds and price policy of the Government regarding acquisition of agricultural land are to be taken into consideration.

The land under acquisition is agricultural land and is being used for agriculture. The interested persons have generally claimed exorbitant prices of their land by making claims about Rs. 2,000.00 to Rs.8,000.00 per Sq. Yds. However, most of the claimants have not filed any documentary evidence(s) in support of their claims. A few of the claimants have filed a photocopy of the sale deed in respect of land situated in (1) village Mamoorpur executed in the year 28.3.2000, (2) village Hiran Kudna executed in the year 5.8.03, (3) village Sawda executed in the year 29.3.04, (4) village Sawda executed in the year 8.9.03 for a sum of Rs.26,75,000.00, 75.00 lacs, 62.40 lacs and Rs.50.66 lacs per acre respectively in support of his claim. Here, it is submitted that village Hiran Kudna, Sawda and Mamoorpur is at least 30-35 Km away from the land under acquisition. The topography, nature of soil, its location etc of village Hiran Kudna, Sawda and that of the village under acquisition differs a lot. The claimant ought to have furnished the sale deed in respect of land under acquisition or land

situated adjacent to the land under reference/acquisition. The claimants have failed in furnishing the sale deed for the same. As such the claims therefore, cannot form the basis of determination of market value.

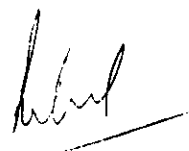

In a policy announcement which came into effect from the financial year 2001-2002, Government of National Capital Territory of Delhi fixed the indicative prices of agricultural land @ Rs.15,70,000.00 per acre for the acquisition of agricultural land vide their order No. F.9(20)/80/L&B/LA/6696 dated 9.8.2001 which are applicable with effect from 1.4.2001.

The notification under section 4 was issued on 12.11.2003 and the price of the land is to be determined as on the date of notification under section 4 of Land Acquisition Act itself. Also land measuring 14-18 in village Bawana was acquired vide Award No. 16/04-05 and notification issued U/s 4 and 6 vide Notification No.F.11(10)/2003/L&B/LA dated 6.8.03 and 1.4.04 respectively. The land has been assessed at Rs.15,70,000.00 per acre. Hence, in view of the above facts I find Rs.15,70,000.00 per acre to be the most reasonable price for the agriculture land as on 12.11.03. I, accordingly, determine the market value of the agriculture land @ Rs.15,70,000.00 per acre.

In addition to the market value fixed above, land owners will be entitled to all other benefits as per the provision of the Land Acquisition Act.

SOLATUM

As provided under sub-section 2 of section 23 of the Land Acquisition (amendment) Act, 1984, solatium @ 30% shall be paid to the interested persons on the market value of the land.

weight. As regards other trees weighing more than one quintal, I assess the market value at Rs. 100/- per quintal. The details of other trees are as under: -

Khasra No.	Name of trees	No. of trees	Weight in Quintal	Market value @Rs. 100.00 per quintal (in Rs)
52/13	Shetut	1	3	300.00

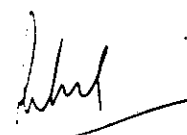

APPORTIONMENT

Compensation will be paid to the land owners as per the latest entries in the revenue record. In case of any dispute regarding title, apportionment of compensation, the matter will be referred to the court of ADJ. Delhi under section 30-31 of the LA Act, 1894.
