AWARD

These are acquisition proceedings for determination of compensation for an area measuring 1219 bigha 7 biswas in Village Gharonda Neemka Bangar for the Planned Development of Delhi. The land acquisition falls part of notification u/s 4 of L.A. Act vide Notification No. F.15(III)/59-LSG dated 13.11.1959. Subsequent declaration of L.A. Act was issued vide notification No. F.4(19)/65-L&H dated 2.12.66. An area measuring 1545 bighas 6 biswas. In pursuance of the aforesaid notification notices u/s 9 & 10 were issued to all the interested persons and claims filed by them are hereafter discussed under the heading 'Claims for compensation'.

Statement of area

Out of an area measuring 1545 bigha 6 biswas notified u/s 6 of L.A. Act area measuring 95 bigha 7 biswas has already been acquired vide Award Nos. 6,6-A & 6-B. Kh.Nos. 442/40, 117/15, 117/16, 420/119/5 and 427 total measuring 1 bigha which have been included in the aforesaid notification u/s 6 of L.A. Act have also been already acquired vide award No. 1932. Scrutiny of the aforesaid declaration u/s 6 of the L.A. Act also that in addition to Kh.Nos. 305 & 268, Kh.Nos. 414/305 & 413/268 have arisen out of original khasra numbers 305 & 268 have also been included in the notification. Settlement Field Book pertaining to the above numbers reveal that original khasra numbers namely 305 & 268 have been taken in full and no division of these khasra numbers has been made at the time of preparation of Settlement Record. It appears therefore that the numbers 414/305 & 413/268 have been inadvertently included in the notification u/s 6 of L.A. Act. Therefore, for the purpose of assessment it can be taken that only Kh.No. 305 measuring 3 bigha 9 biswas

: 2 :

289, 491 to 493 and 478/390 to 392 have been acquired vide Award No. -A- ²⁹⁰ Scrutiny of the Settlement Record pertaining to these khasra numbers as well as notification made u/s 6 in the present case reveals that total area of these khasra numbers is 17 bigha 11 biswas i.e. land measuring 2 bigha 2 biswas which is part of above mentioned khasra numbers have been left out of acquisition. Further scrutiny in this regard reveals that above mentioned khasra numbers have been fully acquired and no part of it has been left for further acquisition. Discrepancy of 2 bigha 2 biswas is only in measurement and on the spot no part of above mentioned khasra numbers is left.

Summing up the above it can be said that out of total bandobast area measuring 1545 bigha 6 biswas notified u/s 6 of L.A. An area measuring 96 bigha 7 biswas has already been acquired vide different awards mentioned above. Land measuring 4 bigha 13 biswas has been included in the notification by mistake and the discrepancy of 2 bigha 2 biswas due to measurement. As such as per bandobast record area available for present acquisition is 1442 bigha 4 biswas.

Scrutiny of the revenue record reveals that there certain Gair Mumkin plots existing on the land under acquisition. It has been found that there is increase of 22 bigha 3 biswas in the plotted area as the bandobast area on which these plots are in actual existence. This is probably due to the fact that while preparing the relevant revenue record the concerned Patwari did not take care to tally the plotted area with the total bandobasti area. This also due to the fact that in the notification u/s 6 of the land under acquisition, the khasra numbers/plot numbers have been taken from the revenue record whereas the area corresponding to these khasra numbers has been taken from the bandobasti record. As such there has been an increase of 22 bigha 3 biswas of the plotted area in the notification made u/s 6. As such the land presently available for acquisition is

1464 bigha 7 biswas.

Regarding the built up area under acquisition in this Village instructions have been received from Asst. Housing Commissioner, Land & Building vide his letter No. F.8(1)/75-L&B/L.A. (P)/22780 dated 16.11.1976 that built up area in and around Pandav Nagar be left from the acquisition for the time being. A list consisting built up area in Pandav Nagar has been prepared by the Field Staff and it has been proposed that total area measuring 245 bigha is actually built up on the spot and as such the same can be left out of acquisition. I have inspected the spot and have found that the list prepared by the Field Staff is correct and as such I agree with the proposal made therein. Therefore, the khasra numbers consisting of built up area total measuring 245 bigha are left out of present acquisition. Same may be acquired as and when clearance is received from the Land & Building Department. After deducting the aforesaid built up area from actual acquisition the total area now left for acquisition ~~is~~ is 1219 bigha 7 biswas.

MARKET VALUE

In order to determine the market value of the land under acquisition awards in Village Gharonda Neemka Bangar have been examined and it has been found that following awards have so far been finalised in this Village:-

Sr. No.	Award No.	Date of notification u/s 4	Compensation assessed
1.	1932	F. 15(117)/60-LSG dated 3.3.1964	Block A Rs. 1800/- per bigha Block B Rs. 1700/- per bigha
2.	2011	-do-	Rs. 1700/- per bigha
3.	39/1969-70	-do-	Block A Rs. 1800/- per bigha Block B Rs. 1700/- per bigha
4.	6/71-72	F. 15(III)/59-LSG dated 13.11.59	Block A Rs. 2100/- per Block B Rs. 1935/- per
5.	6-A/71-72	dated 13.11.1959	Rs. 1425/- per bigha

6. 6-B/71-72

F.15(III)/59-LSG
dated 13.11.1959

Rs. 1425/- per bigha.

Scrutiny of the awards mentioned in the above said table reveals that the date of notification of land acquired vide award No. 6 is same as that of the land under present acquisition. Moreover, the land acquired vide award No. 6 is identically situated as compared to land under present acquisition. Award mentioned at Sr. No. 1, 2 & 3 in the aforesaid table have a later date of notification u/s 4 compared to the land under present acquisition, as such they cannot be taken as a guideline for determining the market value of the land under present acquisition. Award No.s 6-A & 6-B mentioned at Sr. No. 5 and 6 are supplementary proceedings to award No. 6.

The only award which can give the correct guideline for determining the market value of the land under present acquisition is award No. 6 and therefore reliance is placed on this award for determining the market value of the land under acquisition.

While determining the market value of the land acquired vide award No. 6 the then Land acquisition Collector has divided the land acquired vide award No. 6 into two Blocks depending on the situation of the land. Block No. I for which compensation has been assessed @ Rs. 2100/- per bigha for those Khasra numbers which are abutting on the main Patparganj Road and are of even Level. Those khasra numbers which are placed on its back are placed in Block No. II for which compensation has been assessed @ Rs. 1935/- per bigha.

In addition to the Delhi Patparganj Pucca Road there are so many other pucca roads which ^{connects} ~~pass~~ to the land under acquisition with the main Delhi Patparganj Road. Village abadi of Gharonda Neemka Bangar which is not under the present acquisition is surrounded by different segments of land under acquisition. Spot inspection also reveals that almost all the khasra numbers which are of even level have identical situation and have been grouped together as a single group for the purpose of determining the market value. In addition to these there are certain khasra numbers which are low lying and are in the shape of pounds. These khasra numbers are ~~group~~ grouped together and named as Block-II.. Following khasra numbers falls part of this Block:- 105, 229, 230, 344, 373, 281 min(2-0), 136/2, 64, 220, 137, 139, 140, 142, 143, 144, 138, 150, 151, Total 136 Bigha 14 Biswas.

Remaining khasra numbers which are of even level as discussed are placed in a single block and named as Block, I.

Depending upon the market value of land of Block-I & II acquired vide award No. 6 I deem it fair and reasonable to assess the market value of land of Block I @ Rs. 2000/- per bigha and fix the same accordingly. After allowing depreciation of Rs. 500/- per bigha for the Khasra numbers placed in Block-II which are low lying I assess the market value of land of this Block as Rs. 1500/- per bigha and fix the same accordingly.
