MARKET VALUE

While determining the market value of the land as on the date of notification u/s 4 i.e. 25.8.2005, several factors such as location of the land, nature of soil, awards announced in the recent past of the same or adjoining villages, pronouncements of different courts, claims filed by the interested persons, sale deeds, and price policy of the Government regarding acquisition of the agricultural land are to be taken into consideration.

The land under award is basically agricultural in nature and is exclusively used for agriculture. The interested persons have generally claimed exorbitant prices ranging from 10,000 per sq. yards to 20,000 per sq. yards but not a single interested person has led any documentary evidence in support of his claim. Hence these claims cannot form the basis for the fixation of market value of the land. Notice u/s 50 of LA act was issued to the requisitioning department which in reply has stated that the amount of compensation be decided on the basis of the minimum rates suggested by the Govt. of Delhi keeping in view the status of the land.

The status of land under acquisition is agriculture land as per entry in Revenue Records and the same is used exclusively for agriculture and yield crops every year. However, on survey done by the staff of Land Acquisition branch, it is found that there is Gaddha up to 1 to 4 feet from road level, in most of the land although same land is used exclusively for agriculture and yield crops every year i.e. the land can be stated as "Kashta or 'A' category land". There is some chunk (details of which given below) of land which has not been used for agriculture since long and is lying barren i.e. the land can be stated as "Gair Kashta or 'B' category land". Therefore, there are two types of land under this award (1) "Kashta or 'A' category land" and (2) "Gair Kashta or 'B' category land". The whole land can be categorized as "Kashta or 'A' category land", except the "Gair Kashta or 'B' category land", the details of which are given below:-

Details of Gair Kashta or "B" Category land is as under:

In a policy announcement which came into effect from the financial year 2001-2002, Government of National Capital Territory of Delhi fixed the indicative prices of agricultural land @ Rs.15,70,000/- per acre for the acquisition of agricultural land vide letter no F9(20)/80/L&B/LA/6708-12 dated 9.08.2001 which are applicable from 1.04.2001 and stands valid on 25.08.2005, the date on which notification u/s 4 of LA Act, 1894 was issued for the said land.

In view of absence of any documentary evidence on record and in the light of above discussion I find Rs.15,70,000/- per acre to be the most reasonable price for the ("**Kashta or 'A' category land**") as on 25.08.2005. The notification under section 4 was issued on 25.08.2005 and the price of land is to be determined as on the date of notification u/s 4 of the LA Act itself. I, accordingly, determine the market value of the land ("**Kashta or 'A' category land**") @Rs.15,70,000/- per acre.

As regards assessment of land falling in category "**Gair Kashta or 'B' category land**" it is stated that the land is basically agriculture and it can not be used for any other purpose except for agriculture under the provisions of Delhi Land Reforms 1954. If the same land is not cultivated by its bhoomidars/owners it can be subject to be vested in government. Therefore, I allow deduction of 10% on the rate of Rs.15,70,000/- per acre for non cultivation and fix the market value @ Rs.14,13,000/- per acre for "**Gair Kashta or 'B' category land**".

In view of absence of any documentary evidence on record and in the light of above discussion I find Rs.15,70,000/- per acre to be the most reasonable price for the ("**Kashta or 'A' category land**") and Rs. 14,13,000/- per acre for "**Gair**

Kashta or 'B' category land" as on 25.08.2005. The notification under section 4 was issued on 25.08.2005 and the price of land is to be determined as on the date of notification u/s 4 of the LA act itself. I, accordingly, determine the market value of the land @ Rs.15,70,000/- per acre for "Kashta or 'A' category land" and Rs.14,13,000/- per acre for "Gair Kashta or 'B' category land".

In addition to the market value of land fixed above, land owners will be entitled to all other benefits as per the provisions of the Land Acquisition Act, 1894.

SOLATIUM

As provided under sub-section 2 of section 23 of the Land Acquisition Act, 1894, Solatium @ 30% shall be paid to the interested persons on the market value of the land.

ADDITIONAL AMOUNT

The interested persons are entitled to additional amount @ 12% p.a. on the market value of the land as per the provisions of section 23(1-A) of the Land Acquisition Act, 1894 from the date of notification under section 4 i.e. 25.08.2005 till the date of possession or announcement of the award whichever is earlier.

POSSESSION

Physical possession of the land under acquisition will be taken after announcement of award.

TUBEWELL/ BORING

There are 16 Tubewell with Kothas in the land under acquisition in Khasra No. 5//22, 6//8, 12//2, 12//25, 16//23, 23//4, 24//3, 24//14, 24//20, 24//21, 24//22, 24//23, 25//1, 25//10, 25//11, 27//12. I allow Rs. 5,000/- per Boring as removal charges.

WELL

There are 4 Wells in the land under acquisition in Khasra No. 12//25, 24//22, 27//12, 27//16. I allow Rs. 5,000/- per Well as removal charges.

TREES

There are some trees on the land under acquisition. Some trees are in infancy stage, which cannot be converted into firewood. Hence, I do not assess any market value of such trees having less than one quintal weight. As regards

trees weighing more than one quintal, I assess it at Rs.100 per quintal. The details of trees with assessment are as under:-
