6/74-75
Supplementary

The present proceedings are supplementary to award No. 6/74-75, as the date of notification under section 6 is the same. In award No. 6/74-75, previous awards Nos. 1506, 1648, 1941 were also considered and the land was evaluated on the basis of award No. 1506, because it was adjacent to land acquired in award No. 1506. In the present case award No. 1506 is not so relevant as award Nos. 1648, 1941 and 6/74-75 supplementary are, because the land involved in award No. More is situated north of GT Road and railway land whereas the acquired vide award Nos. 1648, 1941, 6/74-75 supplementary alongwith the present land are situated on the south of the railway line. In award Nos. 1941, 1648 and 6/74-75 Land Acquisition Collector fixed the market value of land @ Rs. 800/- per bigha and of land in the shape of Jheel/Nala @ Rs. 200/- per bigha, after taking in consideration the sale transactions, and the evidence filed by the interested persons.

-: 7 :-

In the present case the persons interested have produced documentary evidence, the details of which have been given under the heading 'Documentary Evidence'. Shri B.M. Tayla has produced the photostat copy of sale deed dated 4.11.55, wherein plot measuring 146.6 sq.yd. out of khasra No.691/42 village Oldenpur was sold for a consideration of Rs.733/-, The scrutiny of the sale deed has revealed that out of above amount a sum of Rs.634/- was paid in the presence of the Sub Registrar. Since the sale deed is in respect of small plot of land and relates to a period of 4 years prior to the date of preliminary notification, this sale deed will not give any useful guidance in assessing the market value of the land in the present case. The other documentary evidence produced by Shri Brij Mohan Tayla has no bearing in assessing the market value in the present case.

The documentary evidence produced by Shri Kanahya Lal in respect of his claim does not give any useful guidance in assessing the market value of the land in the present case.

Shri Sadhu Ram has produced a copy of the sale Deed for purchase of land measuring 161 sq.yds, out of khasra No.691/442 for a consideration of Rs.800/-. A scrutiny of the sale deed has revealed that the entire consideration money was paid prior to the execution of the sale deed. Moreover, this sale deed is for a small plot of land and was executed about $2\frac{1}{2}$ years prior to the date of preliminary notification. This sale deed cannot be taken into consideration for assessing the correct market value of the land and acquisition. Keeping in view the rates awarded in Awaj.A. Act Nos.1648, 1941, 6-A/74-75 supplementary, I consider of Rs.800/- per bigha fair and reasonable for land revenue 1 bigha 7 biswas falling in Block I and Rs.200/- per rent for land 5 bighas 19 biswas falling in Block I. cont

As there are no entries in the revenue record regarding the existence of the above structures prior to 13.11.59, no compensation is, therefore, assessed for the same. The owners may remove the 'Malba' immediately after the announcement of the award.

SOLATIUM:
