DOCUMENTARY EVIDENCE :-

S/Shri Ram Singh and Chandgi etc. through Shri D.S. Sehrawat advocate filed a photostat copy of sale deed No. 10968 dated 16.5.74 in respect of khasra No. 502 measuring 500 Sq.yd. situated in village Awada in Bhagwati Garden on Najafgarh Road. Delhi for Rs.16,500/-

MARKET VALUE

The market value of the land is to be assessed by keeping in view the advantages and potentialities attached to the land. The assessment of the market value is to be made with respect to the price prevailing at the time of preliminary notification u/s 4. In the present case the preliminary notification u/s 4, 6 and 17 were made on 13.1.81. At the time of assessment, the claims filed by the interested persons have also to be examined in order to ascertain they can serve as guideline for assessment of market value. The compensations awarded for the land acquired in vicinity on the land under assessment also give idea of the prevailing prices of land.

In the present case the claims filed by Sh. Ram Singh & Chandgi etc. have relied upon the sale deed No. 10968 dt. 16.5.74 in respect of Kh. No. 502 measuring 500 sq.yds. situated in village Awada.. The said sale deed relates to a piece of land situated quite far away from the land under acquisition and it also pertains to a small plot of land which is sure to have fetched a much higher price. This sale deed cannot therefore provide any assistance in ascertaining appropriate market value of the land under acquisition.

It is observed that in the same village agricultural land was earlier acquired vide award No.100/80-81 by the same department. The date of preliminary notification u/s 4 in that case was 30.5.79.

The land under assessment is situated adjacent to the land covered by award No.100/80-81 and the nature of soil in the two cases is also similar. The market value of the land under acquisition can therefore, be conveniently calculated by the help of the market value of land assessed in Award No.100/80-81 which was assessed as Rs.3250/- per bigha. Due consideration has to be given to the fact that there is a time gap of 19 months between the dates of preliminary notification in respect of the two awards.

Taking all factors into consideration I have assessed the market value of the land under acquisition @ Rs.3500/- per bigha.

OTHER COMPENSATION

WELLS, TREES AND CONSTRUCTIONS

There are no wells, trees and structures on the land under acquisition.

15% SOLATIUUM

15% solatium will be paid on account of compulsory nature of acquisition.

INTEREST

As the possession of the land has been handed over to the Acquiring Department on 30.3.1981, the interest is payable to the persons interested w.e.f. 30.3.1981 to the date of announcement of the Award.

APPORTIONMENT

The compensation will be paid according to the latest entries in the revenue records.

LAND REVENUE

The land is assessed to land revenue of Rs.13.782P which will be deducted from the rent roll of the village from the date of taking over possession of the land i.e. 30.3.1981.
