These are the proceedings for determination of compensation u/s 11 of the Land Acquisition Act, 1894 regarding the acquisition of land in village Burari for the construction of Suleimpur and Ibrahimpur Minor. The land measuring 30 bighas and 8 biswas situated in village Burari was notified u/s 4,6 and 17 of the L.A. Act vide Delhi Administration notification No.F.7(4)/75-LAB(1)(2)(3) dated 3.2.1977.

In pursuance of the above notification issued under the L.A. Act, 1894, notices u/s 9 & 10 of the said Act were issued to all the interested persons. In response to these notices, the claims of the persons interested/claimants were received which are discussed hereafter under the heading 'Claims'.

#### MEASUREMENT

The land under acquisition was measured at the spot by the Land Acquisition staff. The correct area was found to be 30 bighas 03 biswas instead of 30 bighas 8 biswas as notified u/s 4,6 and 17. The difference is due to the fact that Kh.No.38/186min, which was notified, does not come within the alignment of the scheme and as such, it is being left out of the award for the present. Kh.No.164/2 measuring 5 biswas comes within the scheme but it is not notified in the present notification. *The land belonging to the said a building site is being registered to the scheme by*

MARKET VALUE

The market value of the land under acquisition is to be determined keeping in view the situation, advantages, potentialities attached to the land on the date of notification u/s 4 of the Land Acquisition Act. The land use is also to play an important role in deciding the market value. The provisions of Delhi Land Reforms Act are also applicable to this land and thus the restrictions as contemplated under section 22 and 23 of the Delhi Land Reforms Act are applicable and land can only be used for agriculture, horticulture or animal husbandry etc.

The petitioners have claimed compensation ranging from Rs.10000/- to Rs.40000/- per bigha but have not produced any documentary evidence in support of their contention except copy of agreement dated 25.1.82 and copy of registered deed No.3985 dated 27.3.72. The agreement does not carry any force. Moreover, it was executed after the date of notification u/s 4 which is 1<sup>st</sup>.2.77 in the present case. According to the registered deed No.3985 dated 27.3.73, land bearing Kh.No.606 measuring 1 bigha 1 biswas was sold for Rs.6000/- out of which a sum of Rs.2000/- was received in advance by the vendor from ~~no party~~ through the vendee and balance of Rs.4000/- in the presence ~~of~~ of Sub-Registrar. In case cost of land paid before the Sub-Registrar is taken into account, the average per bigha comes to Rs.3810/-. The land, which is subject-matter of this registered deed, is situated in a better position, near the village and is far away from the land under acquisition. Moreover, the land involved in the registered deed is 1 bigha 1 biswa whereas in the present case 30 bighas 3 biswas of land is being acquired. It is matter of common knowledge that the smaller pieces of land fetch more price than big chunks of land. Keeping in view its situation and smaller pieces of land involved in the said registered deed, no

reliance can be placed on this ~~specific~~ transaction.

Efforts were made by the revenue staff to ascertain the details of sale deeds executed in this village but no sale deed is effected to have taken place in the vicinity of the date of notification u/s 4. As such, the help of awards announced in this village from time to time is to be taken. The following awards were announced in this village:-

S.No.	Award No.	Date of notification u/s 4	Price awarded per bigha
1.	1749	18.4.1964	Rs.300/-
2.	46/70-71	24.4.1970	Rs.340/-
3.	65/80-81	30.3.1979	Rs.375/- Rs.2000/-
4.	16/81-82	12.1.1981	Rs.2250/-
5.	128/80-81	16.5.1979	Rs.2000/-

As stated above, the notification u/s 4 in the present case is 30.3.77. The award at S.No.1 and 2 will not help in this case as the 1<sup>st</sup> award was announced about 7 years ago. Moreover, the award at S.No.3,4 and 5 relate to the date of notification u/s 4, which is much later than in the present case. The award at S.No.3 relates to the date of notification u/s 4 i.e. 30.3.79 whereas in the present case, it is 30.3.77. A sum of Rs.2000/- was ~~deemed~~ <sup>deemed</sup> in award No.65/80-81. In other words, the cost of land has been lesser during the year 1977 than 1979 in which a sum of Rs.2000/- per bigha was ~~settled~~ <sup>deemed</sup> in award No.65/80-81. Keeping in view the dates between these two notifications u/s 4, it would be justified if the value of the land is assessed @ Rs.1800/- per bigha and award accordingly.
