MARKET VALUE

The market value of the land under acquisition is to be determined keeping in view the situation, advantages, potentialities attached to the land on the date of notification u/s 4 of the Land Acquisition Act. The land use is also to play an important role in deciding the market value. The provisions of Delhi Land Reforms Act are also applicable to this land and thus the restrictions as contemplated under section 22 and 23 of the Delhi Land Reforms Act are applicable and land can only be used for agriculture, horticulture or animal husbandry etc.

The claimants have claimed Rs.25000/- per bigha but have not filed any documentary evidence in support of their claim. The claims appear to be exorbitant and as such cannot be considered. According to the report of the field's staff, the following sale transactions took place during the year 1980:-

S.No.	s.No.04	Regn.No. & date	Kh.No.	Area	Conside- ration	Average per bigha

8.	1103	798.80	120/1, 2 8/2	12-00	9600/-	800/-

It would appear from the above statement that the

Amount
sum of Rs.8000/- and Rs.12000/- per bigha. Since this land
is now already
was sold in the shape of plots, these cannot be considered.
The land covered by the remaining sale deeds is situated far
away from the land under acquisition and as such will not be
helpful in the present case.

The following awards are reported to have been
announced in this village:-

S.No.	Award No.	Date of notification	Rate per bigha
u/s 4			

1.	1748	18.4.64	Rs.300/-
2.	43/70-71	24.4.70	Rs.940/- Rs.315/-

The latest award No.65/80-81 relating to the material date of 30.3.79 was announced on 9.9.80 and a sum of Rs.2000/- per bigha was awarded in this case. A perusal of the award shows that some of the killa numbers, which are being acquired in the present case, ^{were} also acquired in the above award. The other land, which is the subject matter of the land under acquisition, is also situated near the land acquired in the above award. I thus make the ^{same award} ~~base~~, the award ~~No. 65~~ in this case. After giving premium of 6% per annum on the value of Rs.2000/- per bigha, it comes to Rs.2220/- per bigha. Having relied on this award, it would be justified if the rate of the land is fixed @ Rs.2250/- per bigha and I award the same accordingly.
