However since the notification u/s 17(1) has been issued , one of the interpretation of the same could be that award be announced only after taking over the possession of the land on the other hand section 11A of the L.A. Act have imposed a rider that the award shall be announced within the period of two years from the date of notification u/s 6 otherwise the entire proceedings for acquisition of land shall lapse, therefore, to be on safer side the under signed consider it to be necessary to announce the award, however the award made hereunder shall not interfere with the restraining orders passed by the Hon'ble High Court

Classification of land:

The land under award can be classified into Two blocks on the basis surface level of the land . The block A is leveled land and block B is the land from which the top soil has been excavated beyond one meter. The khasrawise details of block B is as under:
