MARKET VALUE

The interested persons have generally claimed exorbitant prices of their land by making claims from about Rs. 2000/- per sq.yrds. They have however, not filed any documentary evidence in support of their claims. The claims, therefore cannot form the basis of determination of the market value.

In a policy announcement which came effect from the financial year 1997-98 i.e. 1-4-1997 the Govt. of National Capital Territory of Delhi fixed the indicating price of the agricultur land at the rate of 10 Lakhs per acre to be the most reasonable price for the best kind of land as on 1-4-1997. Since originally it was proposed increase the price of land @10% per annum on the above the price of Rs. 4.65 lakhs per acre (Fixed by previous decision of Govt. of NCT of Delhi which came into effect from 27-4-1990). Since the notification u/s 4 was issued on 18-7-1995 and the price of land is to be determined on the date of notification u/s 4 itself therefore, I have given a compounded increase of about 11.5% per annum upto the financial year 1995-96.

One award of village Tikri Kalan No.2/97-98 was recently announced in July, 1997. The Village Bakkarwala is an adjoining village Tikri Kalan in which the Market Value of Agricultural land was assessed @Rs. 8,06,400/- per acre or Rs. 1,68,000/- per bigha. I accordingly, determine the market value of agriculture land of village Bakkarwala @Rs. 8,06,400/- per acre or Rs. 1,68,000/-per bigha.

In addition to the market value fixed about land owner will be entitled to all the other benifits as the provision of LA Act.

SOLITUM:- As provided sub section 2 of section 23 of LA, theinterested persons will be paid 30% solitum of the market value at the provision of LA amended Act.
