MARKET VALUE :-

The market value is to be determined with reference to the price of land prevailing at the time of notification u/s 4 of L.A.Act. The transactions with regard to genuine sale having **taken** place near about the period of preliminary notification in respect of the land similarly circumstanced as to the land under acquisition or the sale of a portion of the land under acquisition could be the best evidence of - in arriving at the fair market value of the land. In short the evidence of sales of similar land or the decisions of the court u/s 26 of the L.A.Act in the vicinity with similar advantages are available, the market value can be fixed with reference to the price mentioned therein.

Before we scrutinize the said transactions recorded in the revenue record it would be helpful if guidance could be obtained from the awards already drawn pertaining to land in the same vicinity. There have been the following awards in this village:

S.No.	Award No.	Date of notification u/s 4	Rate awarded per bigha.
1.	1242	27.5.61	Block A Rs 1600/- Block B Rs 1000/-
2.	2182	23.1.65	G.M.Pahar Rs 600/-

The material date in the award at S.No.1 is far behind the date, in the present case

Contd.....

and as such no guidance can be obtained from the award or the decision by the court u/s ²⁶ of L.A. Act, in respect of this award. The award at S.No.2 could be helpful in the present case in assessing the market value in respect of land classified as G.M. Pahar as the material date in the said award is similar.

Some of the claimants have tendered the following evidence:

1. Attested copy of sale deed dt. 12.4.66 in respect of Kh.No.22 and 23 measuring 6 big. 11 bis. in village Mahipalpur for a sum of Rs 32,000/-.
2. Attested copy of sale deed No.5366 dt. 25.4.60 for the land as at S.No.1 above, This sale was for a sum of Rs 11,000/-.
3. Attested copy of sale-deed No.6547 dt. 25.10.67 for khasra No.558 & 559 measuring 71½ sq yds for Rs 995/- in village Mahipalpur.
4. Attested copy of sale deed No.3754 dated 28.5.63 for Kh.No.424 measuring 2 big. 9 bis; ¼ share of this khasra No. has been transferred for a sum of Rs 4300/-.
5. Attested copy of sale deed No.6982 dt. 22.10.64 for khasra No.195/2 and 198/1 measuring 4 big. 18 bis. of land in village Mahipalpur for a consideration of Rs 15,000/-.

The sale transaction dated 12.4.66 as recorded at S.No.1 is not a proper exemplar to refer as its date of execution is posterior to the date, On the other hand the transaction

Contd.....

at S.No. 2 vide sale deed No.5366 dt. 25.4.60 is ^{ante}posterior which too cannot be taken as proper exemplar. Likewise the sale transaction at S.No.3 vide sale deed No.6547 dt. 25.10.67 is posterior to the material date which too cannot be a proper guide as its date of execution is posterior to the material date. Moreover a very small piece of land has been transferred which cannot be taken into account. In the transaction at S.No.4 actually an amount of Rs 2300/- only was paid before the Sub-Registrar for 1/4 portion of Kh.No.424. The area involved in this transaction comes to appx. 12 biswas and it is no gain saying that sale of such small pieces of land cannot be relied upon particularly when a large chunk of land being acquired. In the sale deed No.6982 dt. 22.10.64 as cited at S.No.5 an area measuring 4 big. 18 bis. was transferred on ~~an evidence~~ *a Consideration* of Rs 15000/-. A perusal of the copy of the sale deed as furnished by the claimant indicates that an amount of Rs 9200/- was paid in advance, while the balance of Rs 5800/- was actually paid before the Sub-Registrar. Since about 2/3 of the total consideration money was paid in advance, it is therefore not clear as to how much actual amount the property fetched in sale.

Efforts were also made at this end to find out parallel sales in the village nearest to the material date so as to evaluate the market value of the land. The following sales transactions nearest to the material date are recorded in the office of the Sub-Registrar, New Delhi

Contd

S.No.	Date of Sale deed	Kh.No. & Area	Consideration paid before the Sub Registrar.	Advance.	Average per big. according to the price paid before the Sub-Registrar.
1.	18.2.64	945/2(0-15)	Rs 2000/-	Rs 2500/-	Rs 2666/6
2.	21.5.64	1022/2(0-16)	Rs 3000/-	Rs -	Rs 375/-
3.	6.2.64	683 (4-09) 684/2	Rs 8000/-	Rs 1000/-	Rs 1797/7
4.	18.2.64	206 (0-12 $\frac{2}{3}$) 213	Rs 2000/-	Rs 1500/-	Rs 3157/8

At the very outset it may be stated that this village lies within the purview of the Delhi Land Reforms Act, 1954. According to section 22 of the D.L.R Act a 'Bhumidar' subject to the provisions of this Act has the right to exclusive possession of the land comprised in his respective holdings and to use the land for any purpose connected with agriculture, horticulture or animal husbandary which includes pisciculture and poultry farming etc. It is thus evident that the land under acquisition in accordance with the law cannot be put to any other use except those specified above. In assessing the market value therefore, its potentiality as an agricultural site can only be taken into consideration.

The sale deed referred to at S.No.1 and 4 cannot be taken into consideration as the vendees purchased small pieces of land measuring 15 bis. and 12 $\frac{2}{3}$ bis. respectively on cash consideration of Rs 2000/- in each case tendered in payment before the Sub-Registrar. It is an incontrovertible proposition that there is a large market for

small pieces of lands and they always fetch a very high and lucrative price. In the circumstances, therefore, the sale price paid for the small pieces of land cannot be a suitable example in evaluating the market value of the land. Similarly, in the sale transaction noted at S.No.2 an area measuring 16 bis. was sold at a throw away price of Rs 375/- per bigha kham. One bearing factor resulting in low incidence of the sale price in this particular transaction was that the vendee purchased the share of the vendor in a joint khata, and in all such transactions the sale price is invariably low, since the vendee cannot obtain the physical possession of individual field without instituting a suit for partition. Such sale prices being subject to extraneous consideration, do not actually represent the true market value of the land.

Only the sale deed referred to at S.No.3 is by far the best guide in evaluating the market price of the land where an area of 4 big. 9 bis. was purchased on a cash payment of Rs 8000/- tendered before the sub-Registrar, New Delhi. This sale deed was executed on 6.2.64 approximately the material date and the incidence of sale price being Rs 1797.75 Ps. An amount of Rs 1000/- paid in advance cannot be taken into consideration as the same was not actually paid before the Sub Registrar, at the time of registration. The class of land in this transaction is 'Gair Abpash' but taking in view that preliminary notification was issued about

Contd.....

11 months after execution of this sale deed it is deemed equitable and fair to allow some marginal appreciation in evaluating its market value. Consequently all 'Gair Abpash' land is assessed at a rate of Rs 1900/- per big.kham.

The land classified as Parti Jadid can easily be brought under cultivation again without incurring much expenditure, therefore such land will also be evaluated at par with land classified as Gair Abpash. There are other land classified as G.M.Rasta owned by private land holder, G.M.Jhuggi, G.M.Stock Bajri, G.M.Hauz,kharia, G.M.Dher-Malba and G.M,Murgikhana. Such lands are levelled one and the land previously under cultivation is converted into these categories according to the need of the owners, so it would be fair to assess these lands at the similar rate as that of Gair Abpash.

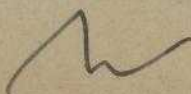

Consequently following Kh.Nos. are included in this block which is categorised as block 'B' :

1,2/1/1,2/2, 2/3, 3/1/2, 3/2/2, 4/2, 5,6,7/1, 7/2/2, 8/1, 8/2min(0-12), 8/3, 9/1, 9/2, 9/3, 10/1, 10/2, 11 to 15, 16/1, 16/2, 17/1, 17/2, 18, 19, 20/1, 20/2min, 21, 22min, 23 min, 31,32, 33/2min, 34^{min}, 36 min, 37,38⁴⁴, 46 to 48, 50/1min, 52/1min, 53 to 58, 59/1min, 64/1,65/1, 65/2, 66to 68, 69/1, 69/2, 70 to 72, 76,77/1, 81,82, 83/2, 84/1, 86/1, 86/2, 87, 88/1, 88/2, 89, 90/1, 94, 95/1, 95/2, 96 to 98,100, 101/1.
