Market Value

Market value is to be assessed keeping in view the prices prevailing on the date of notification u/s 4 and other factors viz. situation, quality and nature of soil etc. The interested persons claimed compensation ranging between Rs.15000/-per bigha to Rs.60,000/-per bigha but did not produce any documentary evidence in support of his contention. Hence, no reliance can be placed on their claims. The field staff was directed to consult the revenue record. It appears from the record that Award No. 2182, 2182 B to F were drawn in this village which relate to the same date of notification u/s 4 & 6 as in the present case. The rate assessed in Award No.2182 was Rs.1900/-per bigha for Block 'B' and Rs.600/-per bigha for Block 'C'. Whereas in Award No. 2182 B, it was Rs.2850/-p.b. for Block 'A'; Rs.1900/-p.b. for Block 'B' and Rs.600/-p.b. for Block 'C'. Since the date of notification u/s 4 is the same in the above awards with that in the present case, the above awards have been made the basis for assessing the market value in this case. It appears that some persons had filed reference u/s 18 against Award No.2182B and the ld. ADJ has enhanced the compensation of Block 'A' from Rs.2850/-per bigha to Rs.4650/-per bigha. The Legal Adviser (Land & Building Department), however, has concurred with the rates upto Rs.3750/-per bigha and had advised to file appeal over and above Rs.3750/-per bigha. The kind of land in the present case is similar with that of Block 'A' acquired in Award No. 2182B. I, therefore, feel it would be justified and fair if a sum of Rs.3750/-p.b. is assessed in the present case & I award the same accordingly.
