No documentary evidence was produced by any of the claimant in support of his claim.

MARKET VALUE:

The market value of the land under acquisition has to be determined with reference to the price as prevailing at the date of notification. It is the price which the land would fetch when offered for sale to a seller not being obliged to sell and the buyer being under no necessity of buying it. In short the market value cannots that measure of compensation which is warranted by the current price of similar property. Before we embark on the question of the determination of the market value it would be worthwhile to go into various awards given in the village. In award No.1242, the material date of which was May 27, 1961, the Land Acquisition Collector divided the land into two blocks viz block 'A' & 'B'. For block 'A' a rate of Rs.1600/-per bigha and for block 'B' a rate of Rs.1000/-per bigha was awarded. Further in award No.2132, bearing January 23, 1965 as its material date, the Land Acquisition Collector awarded a rate of Rs.600/-per bigha. The land consisted of Gairmumkin Pahar. Award No.1242 was challenged through reference petitions and in L.A.case No.436/1967, the Addl.Distt.Judge enhanced the market value of the land in block 'A' from Rs.1600/-per bigha to Rs.3000/-per bigha. For land classified in block 'B' the compensation was enhanced from Rs.1000/- to Rs.2400/-per bigha. Further in L.A.Case No.319/1964 directed against the same award, the Addl.District Judge enhanced the market value from Rs.16000/- to Rs.4000/-per bigha. Since the acquiring department in both these cases has gone in appeal, the decision of the A.D.J. cannot be taken as a proper guide.

A scrutiny of the record-of-rights reveal that the following sale transactions took place nearest to the

The land under acquisition is not a compact block. It is spread up in the village here and there separated <sup>from</sup> by each other by long distances. An analysis of the sale deeds as cited above would reveal that the sale transactions at S.No.3,4 & 6 are not proper exemplars as probably the land covered in these transactions was purchased for residential purposes. This village falls within the ambit of the Delhi Land Reforms Act and as such the land cannot be put to any other use except for purposes connected with agriculture, horticulture etc. Sale transaction at S.No.2 is not a proper guide as the land under acquisition is scattered all around in small pieces. In transaction at S.No.7, the cost of construction was also included in the sale price of the land and as such no proper inference regarding market value can be drawn from this sale deed. By far the sale transaction at S.No.5 is the best guide in the assessment of the market value as its date of execution is quite near to the material date. In this sale transaction an area measuring 4 bighas 9 biswas was transferred.

on 6.2.64 through a registered sale deed for a sum of Rs.8000/- which was only paid before the Sub-Registrar by the vendee. A sum of Rs.1000/-paid in advance cannot be taken into consideration as it was not paid before the Sub-Registrar. The incidence of sale price on the consideration of Rs.8000/- comes to Rs.1797.75P There is a gap of about one year between the execution of the sale deed and the material date and, therefore, I deem it proper to assess the market value of Gairapash land including Gairmunkin at the rate of Rs.1900/-per bigha with a view to bring it on level with the price line of <sup>Janu</sup> ~~February~~, 1965.

This village lies in the assessment circle Kohi and according to Delhi Land Reforms Rules, the relative proportion between Gairapash and Apash land is 8:12. Consequently, a rate of Rs.2850/-per bigha is awarded for Apash land comprising an area of 1 bigha 18 biswas.

TREES WELLS AND OTHER STRUCTURES: Nil

15% SOLATIUM: 15% solatium will be paid over and above the market value so assessed.

APPORTIONMENT: Payment of compensation will be made on the basis of the latest entries in the revenue record.

INTEREST: According to sub-section 3 of section 4 of the Land Acquisition (Amendment & Validation) Act, 1967 simple interest @ 6% is payable after the expiry of 3 years from the date of publication of notification U/s 4 of the L.A. Act. The preliminary notification U/s 4 in respect of this village was made on 4.2.65 whereas the declaration U/s 6 was issued on 14.3.68. Hence, interest is payable from <sup>4.2.68</sup> ~~14.3.68~~ to 22.6.72.

LAND REVENUE DEDUCTION:

The land under acquisition is assessed at Rs. 3.95 as land revenue which will be deducted from the Khalsa Rent Roll of the village from the date of taking over possession of the land.

The aforesaid land will vest absolutely in the Govt. free from all encumbrances.
