MARKET VALUE

While determining the market value of the land as on 21.03.2003 i.e. the date of notification Under Section 4 of LA Act, 1894, several factors such as location of the land, nature of soil, awards announced in the recent past of the same or adjoining villages, claims filed by the interested persons, sale deed and price policy of the Government regarding acquisition of agricultural land are to be taken into consideration.

The land under acquisition is agricultural land and is being used for agriculture; the interested persons have generally claimed exorbitant prices of their land by making claims about Rs. 1000/- per sq. yds. to Rs. 20,000/- per sq. yds. They however not filed any documentary evidence (s) in support of their claims. The claims, therefore, cannot form the basis of determination of market value.

In a policy announcement, which come into effect from the financial year 2001-2002, Government of National Capital Territory of Delhi fixed the indicative prices of agricultural land @ Rs. 15,70,000/- per acre for the acquisition of agricultural land vide their order No. F9 (20)/80/L&B/LA/6696 dated 9.8.2001 which are applicable with effect from 1.4.2001.

In view of the absence of any documentary evidence on record to the contrary, I find Rs. 15,70,000/- per acre to be the most reasonable price for the agricultural land as on 21.03.2003. The notification under section '4' was issued on 21.03.2003 and the price of the land is to be determined as the one on the date of notification under Section 4 of LA Act itself. I, accordingly determine the market value of the land @ Rs. 15,70,000/- per acre.

In addition to the market value fixed above, landowners will be entitled to all other benefits as per provisions of Land Acquisition Act, 1894.

SOLATIUM

As provided under sub-section '2' of Section '23' of the Land Acquisition (Amendment) Act, 1894, Solatium @30% shall be paid to the interested persons on the market value of the land.

STRUCTURE

There are some structures existing in the form of residential houses, schools etc. on the land under acquisition which is contrary to their legal land use. Hence, the market value of these structures, which are illegal or contrary to the land use, have been deserted & the market value shall be deemed to be the market value of land if put to ordinary use.

ADDITIONAL AMOUNT

The interested persons are entitled to additional amount @ 12% p.a. on the market value of the land as per the provisions of Section 23(1-A) of the Land Acquisition Act, 1894 from the date of notification under section '4' i.e. 21.03.2003 till the date of award.

INTEREST

There is no other interest to be paid, as the possession of said land has not been taking over yet.

TUBEWELL/ BORING

There is no tubewell/boring in the acquired land.

APPORTIONMENT

According to the latest entries in the revenue records the compensation will be paid to the interested persons as under: -
