#### VALUATION :-

The market value of the land has been assessed by keeping the potentialities and advantages attached with it as on the preliminary notification u/s 4 of the Land Acquisition Act i.e. 4.11.81. While making the assessment careful consideration has been made of the sale deeds mentioned in the Naqsh No. 1004 dated 22.2.79 in the village. The award announced in the village earlier has taken into consideration.

It is observed that the sale deed No. 1004 dated 22.2.79 relates to a piece of land lying within the Phirani of the village and is therefore not comparable to the land under assessment. The sale deed No. 5957 dated 6.11.79 relates to a very small land measuring 1-05 Bighas. Taking into consideration the fact that a small plots of land fetch higher price than sale deed

- 8 -

regarded as reflecting the correct market value of acquisition.

Award No. 47/82-83 was announced in this village earlier based on sale deed No. 2531 dated 7.7.78. The preliminary notification u/s 4 in that case was 10.1.80. Market value of land has been assessed Rs. 4800/- per bigha. Land under assessment is similarly circumstanced & quality is the land covered by award No. 47/82-83.

There is, however, a difference of about 22 months in the date of preliminary notification in the two cases. Keeping in view the trend of land prices in Delhi, I have concluded the market value of the land under assessment would be just and fair market value of the land under award and awarded the same. No compensation is assessed for

The possession of the land measuring 104 Bighas in question was taken on 24.11.82. Therefore, interest @ 1% will be paid to the interested persons till the date of award.

The land under acquisition is assessed as land in a sum of Rs. \_\_\_\_\_ which will be deducted from all of the village.

Note :- Consolidation operation of this village is not ~~done~~ so far. Therefore whole amount will be kept as disputed. Compensation will be realised after obtaining the certificate from the Consolidation Officer concerned regarding ownership.

Award is summarised as under : -  
 Net value of the land measuring 104 Bighas 18 Biswas Rs. 6,16,450.00  
 Bighas 18 Biswas Rs. 5500/-P.B. Rs. 77,467.50  
 Settlement Rs. 35,635.00  
 Rent u/s 34 of the L.A. Act, 1894
