MARKET VALUE

The land in question, which is to be acquired, is an "Agricultural Land". The market value of the land under acquisition is to be determined with reference to the date of Notification u/s-4 of the Land Acquisition Act.1984, which is 07/04/2006 in the instant case. For determination of the market value of land the indicative price fixed by the Govt. of NCT of Delhi for agricultural land in Delhi at the rate of Rs. 17,58,400/- (Rs. Seventeen lakh fifty eight thousand four hundred only) per acre as conveyed by the Dy. Secy (LA), Land & Building Deptt. Vide letter No. F.9 (20)/80/ L&B/LA/6720 dated 30/8/05 should be considered in this case. The indicative price of land has been fixed by taking into consideration various factors in respect of land in NCT of Delhi the sale deeds prior to Notification u/s 4 of LA Act were considered. However to justify the issue the copy of following sale deeds of village Najafgarh is considered. The details of some of the Sale Deeds of village Najafgarh are as under:-

S. No.	Village	Area	Consideration Amount	Date
1.	Najafgarh	78 Sq Yd	500,000	05/04/2006
2.	Najafgarh	104 Sq Yd	100,000	07/04/2006

It was, however, seen that the above transaction related to smaller size of plots, which resulted into higher price of the properties. The market value of land measuring 137 Bigha 04 Biswa should be much lesser than the sale

L

price of property measuring 45/50 sq yard. The land being acquired is agricultural land measuring 137 bigha 04 bishwa. I am of the view that while keeping in view the sale transactions of the area and also keeping in view the market value of land fixed by the Govt. of Delhi, the appropriate market value of land should be determined @ 1758400/- per acre or @ Rs.3,66,333.33/- (Rupees Three Lakh Sixty Six Thousand Three Hundred Thirty Three And Thirty Three Paise Only) per bigha

VALUATION OF STRUCTURES

As per the standing instructions of L & B Deptt. any unauthorised structures on agricultural land need not be considered for access of compensation while announcement of award u/s 11 of LA Act 1894. Besides the claimants did not submit any sanction plan/approval from the competent department i.e. DDA & MCD as the case may be nor any documental proof in support of there claim of structures.

Therefore, in the light of standing instructions issued by Land & Building time to time the structures on the agricultural land of village Najafgarh have been raised in violation of law and are as such liable to be ignored U/s 24(8) of the LA Act.

SOLATIUM

30% solatium will be given to the landowners on the market value of the land due to compulsory nature of the acquisition as per Provision laid under section 23(2) of Land Acquisition Act 1894.

ADDITIONAL AMOUNT

An additional amount @ 12% per annum on the market value of land U/S 23(1A) of Land Acquisition Act 1894 shall be given to the land owners for the period commencing from the date of notification U/S-4 of LA ACT 1894 to the date of physical possession or Award, whichever is earlier.

APPORTIONMENT

Apportionment of the said compensation among all the persons known or believed to be interested in the land of whom, or of whose claims, I have the information, whether or not they have appeared before me, is to be determined as per the Naksha Muntazamin. Where there is a dispute and the same is not settled, the matter shall be referred to the Court of Additional District Judge, Delhi U/S 30-31 of the Land Acquisition Act, 1894.

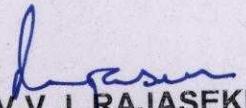

LAND REVENUE

The land revenue will be deducted from the rent roll of the village Najafgarh w.e.f taking over the physical possession.
