Total 24-1112-1/2 Rs. 4,60,000/- Average ~~per~~
Rs. 18,775/- per Bigha

The total area of 41 transactions has been added and sale price total has been divided to arrived at the average price of Rs.18,775/-, but this is based on ~~xxxxxxx~~ very small transactions ranging from 200 yards onward which does not give a rational picture of the overall prices.

Market Value

The market value of the land now under acquisition is to be assessed after keeping in view the advantages and potentialities attached to land and the other important factors as contemplated U/s 23 of the L.A. Act. which guides the L.A.C. in assessing the market value of the land at the date of publication of notification U/s 4 of the L.A. ACT, 1894. In the Palam village on the award file of 1/86-87 a number of 41 transactions have been discussed and the average sale price in these registered deeds has been worked out by the then learned L.A.C. as Rs. 18,7,75/- P.B. But a closer scrutiny of those transactions reveals that the area involved in those transactions are very small plots from 0-2 biswas up-to 3-9 and as such we can not get a true reflection of the value of land by considering these 41 sale deeds discussed in details on the award file 1/86-87. However the sale deed for 3 bigha 9 bishwa discussed at S.NO 30 which has been wrongly typed as 4 bithas 16 biswas for Rs. 40,000/- does indicate the fair market price of the land under acquisition in this village which comes to Rs. 11,600/- P.B. Village Palam is located adjacent to fast developing area and is closer to a Railway Station and even the Aerodrome and Delhi Cantt. Area. Village land is adjacent to recently approved residential colonies like Raj Nagar, Sad Nagar, Palam Extension etc. and has a very good approach towards Janak Puri. The land prices in the vicinity are much higher. However I have based my assessment on the transaction of 3 bigha 9 biswa for a sum of Rs. 40,000/- being the transaction of the same very village on 30.11.83 which date was close proximity to the date of notification U/s 4 i.e. 27.1.84 in the present case. I therefore assess the market value @ Rs. 11600/- P.B. in this case also

.....2.....

Accordingly I determine the market price @ Rs. 11,600/-P.B. for the land now under acquisition except Kh, No. 153, 155 and 156 for which I assessed the market value @ Rs. 6,600/- P.B. being Hohar.

Other Compensation:

There are wells & tubewells on the ~~land~~ land now under acquisition and as such the persons interested are entitled for a reasonable compensation for the same. The details of Kh. Nos. where these wells & Tubewells exist are given below:

The N.T. has reported that the total area of the Award has wrongly been shown as 3873 bigha 10 biswa whereas its total would have been 3862 bigha 10 biswa. I have checked the total area of the Khasra Nos. which comes to 3862 bigha 10 biswa. Since this is a clerical mistake,

the total area in this award be read as 3862 bigha, 10 biswa instead of 3873 bigha 10 biswa. It may further be stated that the Hon'ble High Court had issued order to maintain 'Status quo' in C.M.P. NO. 2482/86 and C.W.P. NO. 1820/86 in case styled as 'Deepak Bhardwaj Vs. U.O. India in respect of Khasra Nos. 28//7/1(3-08), 8(4-04), 13(2-16) and 14(5-11) in village Palam. The total area of these Khasra Nos. Comes to 15 bigha 19 biswa. Since the court had ordered to maintain 'Status quo', the Award in respect of these Khasra Nos. has not been announced and the total areas of 15 bigha 19 biswa, being the subject matter of C.W.P., has also been excluded from the said Award. Thus, the area acquired in the present case comes to 3,846 bigha 11 biswa.

In view of the above, the revised summary in respect of 3,846 bigha 11 biswa is given below:-
