MARKET VALUE:-

While determining the market value of land as on 7-8-2000 i.e. the date of notification under section 4 of the Land Acquisition Act, several factors such as location of the land, nature of soil, awards announced in the recent past of the same or adjoining villages, pronouncement of different courts, claims filed by the interested persons, sale deed and price policy of the Govt. regarding acquisition of agricultural land are to be taken into consideration.

The land under acquisition is agricultural land and is being used for agriculture.

The interested persons have generally claimed exorbitant prices of their land by making claims from about Rs.15000.00 per sq.yds. to Rs. 10,000.00 per sq.yds. They have, however, not filed any documentary evidence in support of their claims. The claims, therefore can not form the basis of determination of market value.

In a policy announcement which came into effect from the financial year 1999-2000 & 2000-2001 i.e. 1-4-99 & 1-4-2000 the Govt. of National Capital Territory of Delhi fixed the indicative prices of agricultural land @ 12.16 & 13.82 lakh per acre for the acquisition of agricultural land vide their order No. F9(20)/80/L&B/LA/349 dated 11-9-01 which are applicable w.e.f. 1-4-99 and 1-4-2000 respectively.

Contd..7.

In view of the absence of any documentary evidence on record to the contrary, I find Rs. 13.82 lakhs per acre to be the most reasonable price as on 04-04-2000. The notification under section 4 was issued on 7-8-2000 and the price of the land is to be determined as on the date of notification under section 4 itself. I, accordingly, determine the market value of the land @ Rs. 13.82 lakhs per acre or Rs. 287915.00 per bigha.

INTEREST :-

Interest U/S 23 of LA Act will be given on market value + solitium + additional amount as per judgement of Hon'ble Supreme Court of India.

In addition to the market value fixed above, land owner will be entitled to all other benefits as per the provisions of the L.A. Act.

CROPS :-

At the time of taking over possession of land on 5-10-2000, there was no Kharif Crop on the whole land. Therefore no need to give the compensation for the crops in the award. Hence, the crop has not been assessed for the purpose of compensation.

TUBEWELL :-

There is 1 tubewell alongwith Kotha in Khasra No. 54/27. Land owners are at liberty to remove the structure/pipes and I allow Rs.2500/- per tubewell-kotha as removal charges.

Contd...2.

:8:

BOARING :-

There is 1 boaring in Khasra No. 58/10. Land owner are at liberty to remove the pipes and I allow Rs.2500/- per boaring as removal charges.

WELL :-

There is 1 well in Khasra No. 55/26. I allow Rs. 5000/- only as cost. The well was not in proper use.

TREES :-

There are some trees on the land under acquisition some of trees are in the infancy stage which can not be converted into firewood. Hence, I do not assess any market value of such trees having less than 1 quintal weight. The details of others are as under :-

Khasra No.	Name of trees	No. of tree	Weight (Qtls.)	Value in Rs. @ 60/- per qtls.
54/5	Sisam	1	1	60.00
5/1	Sehtut	1	1	60.00
7	Safede	3	3	180.00
24	Jamun	2	2	120.00
56/10/2	Safede	4	4	240.00
			Total	660.00

STRUCTURES :-

There is 1 Samdhi in Khasra No. 54/19/2.

Contd..9.

SOLATIUM :-

As provided under sub-section 2 of section 23 of the Land Acquisition (Amendment) Act, 1984, the interested persons will be paid 30% solatium on the market value of the land due to compulsory nature of the acquisition.

POSSESSION :-

The physical possession of the land measuring 203 bigha 5 biswa has been taken over and handed over to the requisitioning department on 5-10-2000.

ADDITIONAL AMOUNT :-

The interested persons are entitled to additional amount under section 23-1-A of the Land Acquisition Act @ 12% per annum on the market value of the land from the date of notification U/S 4 till the date of possession or the announcement of the Award whichever is earlier.

APPORTIONMENT :-
