POSSESSION OF LAND

As this land is a part of land acquired vide Award No. 4/94-95 and possession on 4.7.88 has been confirmed by the acquisition deptt. already. The land already falls within the boundary wall of Wild Life Sanctuary.

COMPENSATION CLAIMS & EVIDENCE

The following interested persons have filed their claims :-

Contd....2/-

However, none the claimants has produced any documentary evidence with their claims.

While determining the market value of the land under acquisition several factors such as location of land, quality of soil, potential value of land, sale deeds of the village, policy of Delhi Admn. (Govt.) fixing the minimum price for agricultural land, was to be taken into consideration.

This land is a part of land recently acquired vide Award No. 4/94-95 of the same village and same purpose. The market value in that award was fixed to the rate of Rs. 1,18,000/- P.B. after going through the relevant factors and same was approved by the Secretary (Revenue).

The Depty. on the legal opinion of Dy. Legal Advisor accepted the rate of Rs. 1,23,000/- P.B. and filed appeal against rest of the market value i.e. over and above Rs. 1,23,000/- P.B. The depty. has obtained stay order from High Court of Delhi in this regard.

Contd. ... 3/-

Therefore, the market value of the land, at this point of time is Rs. 1,23,000/- P.B. of the land under acquisition. The only factors left for consideration is that in the Award No. 4/94-95 at Tuglaqabad where the rates of Rs. 1,23,000/- P.B. has been accepted by the deptt., the notification U/s 4 of L.A. Act was issued on 1.6.92 and the land presently under acquisition is notified U/s of L.A. Act on 8.6.95.

Since there is difference of approximately 3 years it is to be looked into whether there is any Escalation in the market value during these 3 years.

After giving a thoughtful look into the matter, it is found that the land is in possession of acquiring deptt. since 4.7.88 and no escalation could be established on Govt. land. However, to compensate the interested persons/land owners for this, interest U/s 23 from 4.7.88 is awarded.

In light of this, I am of the view that the market value of Rs. 1,23,000/- P.B. is reasonable.

I, therefore, award the market value @ Rs. 1,23,000/- per Bigha.

COMPENSATION FOR TREES & STRUCTURES

At the time of survey there is no tree or structure on the land, therefore, nothing is awarded for trees and structures.

COMPENSATION FOR CROPS
