CLAIMS & EVIDENCE.

The claims have already been discussed under the head 'Measurement & Ownership'. No evidence regarding the price of the land has been produced by any of the claimants.

MARKET VALUE.

The land under acquisition is situated at several places. All the area round about the land under acquisition has already been acquired. This area remains unacquired because it was the property of the Custodian. The area has, therefore, got to be divided into separate blocks.

BLOCK 'A'.

In this block is included the area on the Eastern side of the Railway Line near the G.T.Road. This consists of Khasra Nos. 698, 699, 701, 702, 703, 704 and 705 total measuring 32 Righas 12 Biswas.

Contd....7

BLOCK 'C'.

This consists of low lying area comprised in Khasra No. 256, 411, 410, 407, & 408 total measuring 20 Bighas 3 Biswas.

BLOCK 'D'.

This consists of Gairmumkin Channel in Khasra No. 665 measuring 1 Bigha 11 Biswas.

BLOCK 'B'.

This consists of the remaining area under acquisition. Its situation is generally similar although it is situated at three places. The total area of block 'B' comes to 197 Bighas 15 Biswas.

BLOCK 'A'

Whole of this area belongs to the Custodian. This has been sold by the Custodian to different persons. The details of the auctions are given below:-

Sl. No.	Date of auction.	Khasra No.	Area Bigha-Bisawa	Auction price.	Average per bigha.
1.	4.2.60.	698	6 - 4	20,200/-	3200/-
2.	28.3.59	702, 704 & 705	15 - 9	90,100/-	5800/-
3.	4.2.60	699	2 - 7	9,000/-	3900/-
4.	28.3.59	701 & 703	8 - 12	78,200/-	9000/-

From the above transactions, it is clear that the first of the third transaction took place @ Rs. 3200/- per bigha and Rs. 3900/- per bigha respectively. This is a reasonable rate and is according to the market value in the adjacent area. The other two transactions are on very high rates which are much more than the market value on the relevant date. From these two transactions, the Market Value works out to Rs. 3500/- per bigha. This is a fair Market value. I, therefore, award Rs. 3500/- per bigha for the vacant land Rs. 4000/- per bigha for the gardens in the case of the land in the other two transactions.

Contd...8

BLOCK 'B'.

In this area three awards have already been made. In award No.1251, the date of notification was 3.9.57 and the rate given was Rs.2000/- per bigha. In award No.1329 the date of notification was 13.11.59 and the rate given was Rs.2700/- per bigha. In the third award No.1420 the date of notification was 26.10.61 and it was found from the transaction that the rate on that date for such area was Rs.2000/- per bigha for Mehri and Rs.2500/- per bigha for Bagh Mehri. In this way, the date of notification is 28.5.02 no sale-transaction between 26.10.61 and 25.8.62 is available to show the decrease or increase in the prices. It means that the prices on the relevant date in this case were the same as in award No.1420. I, therefore, award Rs.2000/- per bigha for Mehri and Rs.2500/- per bigha for the baghmeheri, in ~~knowing~~ ~~knowing~~ ~~the date of notification is 28.5.02~~ ~~xxx Max sake~~ ~~transaction~~. Block 'B'.

BLOCK 'C'.

The area under block 'C' is somewhat of lower level than the area of block 'B'. The situation is also not so good as that of block 'B'. I, therefore, award Rs.1700/- per bigha for the area of block 'C'. There is no garden in this block.

BLOCK 'D'.

There is only a channel which is being used for common purposes. I award a nominal award of Rs.500/- per bigha for the land in this block.

OTHER COMPENSATION.

In addition to the trees situated in the garden, there are stray trees in Khastri No.339, 447, 529 & 772/520. The Hailo Rehsildar Land Acquisition has assessed the price of the trees at Rs.787/-. I agree with the price assessed by him and award Rs.787/- as the cost of the stray trees.

Contd....9

There are some structures on the land under acquisition. The Naib Tehsildar, Land acquisition has assessed the price of the structure as below:-

Khasra No.	Name of the owner of the structure.	Kind of structure	Price assessed.
74	Chhaju Singh s/o Ralsi Ram.	A kothi well maintained.	Rs. 10,596/-
333	Sarvashri Padam Raftak Purshotam	One pucca room one tin shed.	Rs. 696/-

704	Miss Paroati.	Tin Shed.	Rs. 242/-
			Rs. 11,584/-

✓ The prices assessed by the Naib Tehsildar are generally correct and I award Rs. 11584/- as compensation for the structures.

The Naib Tehsildar, Land acquisition has assessed the price of the wells as follows:-

Sl. No.	Khasra	Price of well	Price of pertain wheel.	Total.
1.	74	Rs. 1400/-	Nil.	Rs. 1400/-
2.	291	Rs. 1000/-	Rs. 300/-	Rs. 1300/-
3.	339	Rs. 1500/-	Rs. 500/-	Rs. 2000/-
		Rs. 3900/-	Rs. 800/-	Rs. 4700/-

I have inspected the spot and I find that the prices assessed by the Naib Tehsildar, Land acquisition ^{is now} correct. I, therefore, award Rs. 4700/- as the compensation for wells.
